➤ **Sale of Asset:**

The Sponsors of your Company are considering the sale of the project asset if they get expected consideration.

➤ **Escalation claims / Change of Scope claims /Overlay Matter (Major Maintenance):**

**a) Status of arbitration in respect of escalation/cost overrun claims:**

Background of Dispute:

The Company (GLRL) had incurred additional costs on account prolongation of construction period and reasons for delay on part of NHAI. Hence, GLRL raised claims against NHAI. The NHAI has been denied claims on purported grounds. Therefore, disputes were arisen between parties. Consequently, the parties were referred disputes to the Arbitration. The Arbitration Tribunal ("AT") deliberated all the disputes and delivered Award on 29.03.2019.

Arbitration Tribunal Award:

The Company has received Arbitration Award on 06.05.2019. In this matter, there is no Majority Award, three AT members were delivered three difference Awards as details given below:

- (i) Presiding Arbitrator Award amount – Rs. :11.39 Cr (Rs. 10.36 Cr + 1.03 Cr);
- (ii) Claimant's Nominee Arbitrator Award amount – Rs.: 42.33 Cr (Rs. 30.93 Cr + 11.39 Cr);
- (iii) Respondent's Nominee Arbitrator Award amount – Rs.: 3.53 Cr

GLRL challenged AT Award under Section-34 of Arbitration and Conciliation Act, 1996. It is pending before the High Court of Delhi in OMP (Comm.) No. 386 of 2019. NHAI has filed a counter petition which is OMP (Comm). No. 450 of 2019.

**Present Status:**

The Company and the NHAI have opted for resolving the dispute through Conciliation mechanism constituted by NHAI. Both the parties have since referred the matter to Conciliation Committee of Independent Experts ('CCIE – 2'). The Conciliation Committee of Independent Experts at their meeting held on 14th December, 2021 and 21st April 2022 considered opinion for an amicable settlement at net zero settlement for both the Parties and the Company and NHAI have also agreed for the same. The settlement agreement is yet to be executed by both the parties.

**b) Status of Change of Scope Arbitration:**

Background of Dispute:

The NHAI issued an unwarranted letter dated 19.09.2018 to the Escrow Bank to release a sum of Rs 18.78 Crores towards Negative Change of scope works. GLRL had protested the same and approached the High Court of Delhi under Section-9 of Arbitration Act to restrain NHAI from taking any coercive steps against the GLRL till adjudication of the instant disputes. Hon'ble High Court of Delhi granted stay on recovery and Arbitral Tribunal (AT) was

constituted for this matter. The Hon'ble High Court transferred the matter to Arbitral Tribunal and granted stay till disposal of AT.

The Arbitral Tribunal was constituted with Ajit Mohan Sharan, IAS (Retd), Shri S.C.Parija, former Judge, Orissa High Court, Presiding Arbitrator and Shri N.K.Bahri, Arbitrator.

As per AT directions, the GLRL filed statement of Claim on 11.02.2019 and prayed to pass an award in favour of Claimant against the NHAI granting an amount of Rs 10.06 Crores towards cost of change of scope of items additionally executed by the GLRL in the project.

AT Award was published on 28.01.2020. AT Awarded in favour of the Company an amount of Rs 10.06 Crores with interest 12% per annum from 03.09.2016 till realization of payment.

**Present Status:**

The Company and the NHAI have opted for resolving the dispute through Conciliation mechanism constituted by NHAI. Both the parties have since referred the matter to Conciliation Committee of Independent Experts (CCIE – 2). The Conciliation Committee of Independent Experts at their meeting held on 14th December, 2021 and 21st April 2022 considered opinion for an amicable settlement at net zero settlement for both the Parties and the Company and NHAI have also agreed for the same. The settlement agreement is yet to be executed by both the parties.

**c) Status of Overlay Matter (Major Maintenance):**

NHAI had issued notice dated 29.11.2019 to the Company to recover an amount of Rs 9.16 Crores plus interest @ SBI PLR+2% from 18.05.2017 to the date of payment towards alleged recovery of damages on account of delay in completion of over lay (1<sup>st</sup> Major Maintenance Works). GLRL filed Section 9 petition [OMP (I) (COMM) 42/2020] before the Hon'ble High Court of Delhi. GLRL got stay order on this matter.

As per NHAI policy, your Company referred the matter to CCIE-II (Conciliation committee Independent Experts) for settlement of the issues amicably.

**Present Status:**

The Company and the NHAI have opted for resolving the dispute through Conciliation mechanism constituted by NHAI. Both the parties have since referred the matter to Conciliation Committee of Independent Experts (CCIE – 2). The Conciliation Committee of Independent Experts at their meeting held on 14th December, 2021 and 21st April 2022 considered opinion for an amicable settlement at net zero settlement for both the Parties and the Company and NHAI have also agreed for the same. The settlement agreement is yet to be executed by both the parties.

## INDEPENDENT AUDITOR'S REPORT

UDIN Ref: 22503378APIMOU6921

Re: The Members of Gayatri Lalitpur Roadways Limited

Report on the audit of the Ind AS Financial Statements

### Opinion

We have audited the accompanying Ind-AS financial statements of **Gayatri Lalitpur Roadways Limited** ("the Company") having CIN : U45203TG2006PLC050554, which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows ended on that date, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date (hereinafter referred to as the "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the act read with the companies (Indian Accounting Standards ) Rules,2015, as amended, ("Ind-AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit, and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules prescribed there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial Statements.

### Key Audit Matter

*Website:* [www.nemittalco.in](http://www.nemittalco.in)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of Ind AS Financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We state that we have nothing to report in this context.

#### **Emphasis of matter**

We draw attention to note no. 40 of "Summary of Significant Accounting Policies and Other Explanatory Information" relating to "Impact of Covid-19 on Performance of the Company" wherein the company has stated that. The lockdown period was in the m/o April 2021 & May 2021 due to Govt of India / State Govt Restrictions. The registered office and project office were closed during the period. However the company had provided the mandatory operations & maintenance services on the project road during the lock-down period. During the F.Y. 2021-22, the company had received two annuities on due date. There was no impact of covid-19 on the performance of the company either on the revenue or expenses of the company. During mandatory lockdown & govt restrictions, the employees have worked from home intermittently. Hence there was no impact on productivity of employee. The company is also entitled to claim interest on delayed payment of annuity as per clause no. 31.2 of concession agreement. The management of the company had also mentioned in note no. 40 to the Ind-As financial statements under audit that there had been savings generated on the travelling cost head on account of reduced travelling and meeting the purpose through online mode. Hence the company is confident that Covid 19 may not make any material negative impact on company revenue and operations". Our intention is just to bring this note to the attention of the users of Ind AS financial statements. Our opinion is not modified in respect of this matter.

#### **Information Other than the Ind AS Financial Statements and Auditor's Report Thereon**

The Company's Management (including Board of Directors) are responsible for the other information. The other information comprises the information included in the Company's Annual Report, Board's report including Management Discussion and analysis & other annexure to Board's report, Business Responsibility Report, Corporate Governance and Shareholder's Information *as applicable*, but does not include the Ind-AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work, we have performed on other information obtained prior to the date of this audit report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

UDIN Ref: 22503378APIMOU6921

## **Management's Responsibilities for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind-AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive information, changes in equity and cash flows of the Company in accordance with the Ind AS and Other accounting principles generally accepted in India including the accounting standards specified u/s 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind-AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material

UDIN Ref: 22503378APIMOU6921

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:

intermediary those funds / monies whether directly / indirectly in any other person / entity identified in any manner what so ever by / on behalf of the Company (i.e. "ultimate beneficiary"). The company (i.e. "ultimate beneficiary") has also not provided any such guarantee / security or like to / on its behalf to any other person / entity. Similarly no such position with respect to money / funds / guarantee / security existed as on 31.03.2021.

- b) The management had represented that during the Financial year 2021-22, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, the company has not received any fund / money directly / indirectly from any other person / entity (i.e. "funding party") including foreign entity, with the understanding (in writing / otherwise) to invest / lent in any other person / entity identified in any manner what so ever by any such funding party (i.e. "ultimate beneficiary"). Similarly the Company has not provided any such guarantee / Security or like to any other person / entity on behalf of any such funding party (i.e. "Ultimate beneficiary").
- c) Further to sub-clause (a) & (b) above, during the audit, nothing has come to our notice that has caused us to believe that the said representations contained any material mis-statement.
3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and according to the information and explanations given to us, the limit prescribed by section 197 for maximum permissible managerial remuneration had not been exceeded.

Annexure 'A' to the Independent Auditor's Report of

GAYATRI LALITPUR ROADWAYS LIMITED for the Year ended as on 31<sup>st</sup> March 2022

*(As referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" Section of our report on even date)*

- i. a. The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment. The Company however do-not have any intangible assets.
- b. As per the information & explanation furnished to us, Property plant & equipment had been physically verified by the Management at-least once in every three years and usually once a year and no material discrepancies were noticed on such verification.
- c. The company has no immovable property hence paragraph 3(i)(c) of the Order is not applicable to the company.
- d. No revaluation of property, plant & equipment (including right of use assets / intangible assets) took place.
- e. As per the information & explanation furnished to us, during F.Y. 2021-22 there had been no proceedings against the company under the Benami Transactions (Prohibition) Act, 1988 & no such proceedings were also pending as at the beginning of the said year.
- ii. As the company is engaged in the business of infrastructure development, operations and its maintenance and there is no inventory in hand at any point of time, hence paragraph 3(ii) of the Order is not applicable to the company.
- iii. During the year, the Company has not made and investment / given guarantee / provided security / granted any loans and advances (secured or unsecured) to companies, firms, limited liabilities partnership or other parties. Hence, reporting under clause (a) to (c) of Para 3(iii) are not applicable. However balances w.r.t advance given in past, is outstanding as on balance-sheet date, details of which are as per note no. 35 (Related Parties Disclosures) of the financial statement. The terms do-not seem to be prejudicial in view of similar terms enjoyed by the auditee from any such companies. No repayment schedule had been stipulated for said advance which is repayable on demand, hence not overdue. There had been no extension / renewal of existing loan /advance & no fresh loan / advance given, during the year. For percentage & aggregate of such advance etc to

UDIN Ref: 22503378APIMOU6921

promoters & related parties, reference may be made to note no. 2A besides note no. 35 of the financial statement as mentioned above.

- iv. During the year, the Company has not entered into any transaction in respect of loans, investments, guarantee and securities, which attracts compliance to the provisions of the sections 185 of the Companies Act, 2013. Provision of section 186 are not applicable in view of auditee company being engaged in providing infrastructural facility. Therefore, the paragraph 3(iv) of the Order is not applicable to the company for same.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at 31<sup>st</sup> March 2022, therefore directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under are not applicable to the Company.
- vi. The Company is prima-facie maintaining the cost records as specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013.
- vii. a. According to the information and explanations given to us and on the basis of our examination of the books of accounts, the company has been generally regular in depositing undisputed statutory dues including provident fund, employee state insurance, income tax, Goods & service tax, cess and other statutory dues during the year with the appropriate authorities. As on 31st March 2022, there are no undisputed statutory dues payables for period exceeding for a period more than six month from the date they become payable .  
  
b. According to the information and explanation given to us, there are no dues of income tax, Goods & Service Tax, duty of customs, cess and any other statutory dues which have not been deposited on account of dispute.
- viii. As per the information & explanation furnished to us, there is no un-disclosed income (*from any transaction which was not recorded in the books of accounts previously*) that has been surrendered or disclosed during the year 2021-22 in the tax assessment under income tax act, 1961. Hence paragraph no 3(viii) of the order is not applicable.
- ix. The company has taken term loans from various banks and a financial institution. Based on the information & explanations before us, during the year, the company has not defaulted in repayment of loans or borrowing to a banks and financial institution. As explained to us, since there is no default, hence there is no such case of wilful defaulter declaration by any bank etc. As certified & based on the

UDIN Ref: 22503378APIMOU6921

information shown to us, money raised by way of term loans were applied for the purpose for which it was raised. There were also no short term funds borrowed during the year. As certified to us, there was no such case of borrowal of funds by the auditee to meet any obligation of its associates, subsidiaries or its joint ventures. It was also certified to us that no such loan were raised during the year by the auditee, on the pledge of securities held in subsidiaries, joint ventures & associates as there are no investments in such securities.

- x. The Company has not raised money by way of initial public offer or further public offer. The company had also not made any preferential allotment or private placement of shares / convertible debentures during the year.
- xi. To the best of our knowledge and according to the information and explanations given to us, neither any fraud by the Company nor any material fraud on the company by its officers or employees or others had been reported or had come to our notice during the audit for the year. No such fraud, as mentioned, accordingly no such report u/s 143(12) was required to be filed. There was no such case of Whistle blower complaint as informed to us.
- xii. The Company is not a Nidhi Company and hence clause 3 (xii) of the Companies (Auditor's Report) Order 2016 is not applicable.
- xiii. In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 where applicable and the details of such transactions have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.
- xiv. Internal audit systems of the company (*based on the scope & report thereof as produced to us*) seemed to be reasonable, keeping in view the size & nature of business of the company.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him and hence provisions of section 192 of the companies act, 2013 are not applicable to the company.
- xvi. As certified to us the auditee is not required to be registered under section 45-IA of the Reserve -Bank of India Act, 1934. Further as certified that it is not core-investment company and no group company is a Core-investment company.

UDIN Ref: 22503378APIMOU6921

- xvii. Based on the information produced to us and as certified to us, there was no such case of cash loss during F.Y. 2021-22 & the previous year.
- xviii. No such case of resignation of auditor from the company was there for the F.Y. 2021-22.
- xix. The financial ratios, ageing & expected date of realization of financial assets & payment of financial liabilities as disclosed as part of financial statement, there was some decline in the ratios (turning unfavorable) apparently signifying some doubt about the certainty regarding payment of its liabilities on due date within next one year of current balance sheet date. However, management had explained that said decline / un-favorable position is on account of 2<sup>nd</sup> Major-Maintenance-Expenses during current year and decline in REPO Rate of RBI effecting returns on bank investments which is temporary in nature & that company is getting fixed annuity irrespective of toll collections. Management had also submitted that another reason for apparent decline is on account of part of annuity income shown as mere recovery of financial asset in the road due to IND-As requirements which is otherwise not materially effecting the cash inflow for debt servicing / payment of liabilities.
- xx. In compliance with Section 135(5) read with schedule VII to the Companies Act, 2013, company had during F.Y. 2021-22, out of the required amount contributed Rs. 11.80 Lacs to International Road Federation – India Chapter & balance Rs. 2.91 Lacs to the PM's National Relief fund.
- xxi. The auditee is not a holding company, accordingly the para 3(xxii) of the order is not applicable to it.

## ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

### Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

*(As referred to in Paragraph 2(f) under "Report on other legal and regulatory requirements" section of our Report to the members of Gayatri Lalitpur Roadways Limited)*

We have audited the internal financial controls over financial reporting of **Gayatri Lalitpur Roadways Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

Management (*including the Board of directors*) of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's respective policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal financial controls over financial reporting (the "Guidance note") issued by the ICAI and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

UDIN Ref: 22503378APIMOU6921

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

### **Inherent Limitations of Internal Financial Controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to explanations given to us, the company has, in all material respects, an adequate internal financial controls system

UDIN Ref: 22503378APIMOU6921

over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**Gayatri Lalitpur Roadways Limited**  
**Notes to financial statements for the year ended March 2022**  
**Summary of Significant Accounting Policies and Other Explanatory Information**  
(All amounts ₹in lakh unless otherwise stated)

**1. Corporate information**

M/s Gayatri Lalitpur Roadways Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is a Special Purpose Vehicle (SPV) incorporated on 7th July 2006 for execution of the project "Improvement, Operation and Maintenance, Rehabilitation and Strengthening of existing 2-lane Road and widening to 4-lane Divided Highway of NH-25/26 in the state of Uttar Pradesh on Build Operate Transfer (BOT)-Annuity Basis. The company has entered into a Concession Agreement with National Highways Authority of India, which specified a two and a half year of construction period and seventeen and a half years of Operation & Maintenance period. The project has achieved the Commercial Operations Date on 31st July 2010 for 45.22 Kms of the Project Highway, out of 49.305 Kms. The company has obtained Final Completion Certificate with effect from 19<sup>th</sup> March 2012.

**2. Summary of significant accounting policies**

**a) Basis of preparation of financial statements**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Unless otherwise stated, the accounting policies applied by the Group are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of work and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the group has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities

**b) Use of estimates**

The preparation of the standalone financial statements is in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the financial statements and amounts of income and expenses. Examples of such estimates include the provision for doubtful receivables, determination of recoverable amounts of fixed assets, deferred tax assets, employee benefits and useful lives of fixed assets.

Although these estimates are based on management's best knowledge of current events and actions, actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

**c) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A handwritten signature in black ink, appearing to be a stylized name, located to the right of the company stamp.

**a. Financial Asset**

**Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through the Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

**Subsequent measurement**

For purposes of subsequent measurement, a 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

**Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- a) the rights to receive cash flows from the asset have expired, or
- b) the Company has transferred its rights to receive cash flows from the asset, and (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- c) The income pertains to the construction period will be used to derecognise/adjust against Financial Asset.

**b. Financial Liability**

**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through the Statement of Profit and Loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

**Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

### Financial liabilities at fair value through the Statement of Profit and Loss

Financial liabilities at fair value through the Statement of Profit and Loss include financial liabilities designated upon initial recognition as at fair value through the Statement of Profit and Loss. Financial liabilities designated upon initial recognition at fair value through the Statement of Profit and Loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L.

However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The Company has not designated any financial liability as at fair value through the Statement of Profit and Loss.

### Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of the Statement of Profit and Loss.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of the Statement of Profit and Loss.

#### d) Fixed assets

Tangible assets are stated at cost of acquisition, less accumulated depreciation thereon. The cost of an item of fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Intangible assets represent commercial rights to collect toll fee in relation to roads projects which has been accounted at the cost incurred on the project activity towards reconstruction, strengthening, widening, rehabilitation of the roads on build, operate and transfer basis. It includes all direct material, labour and subcontracting costs, inward freight, duties, taxes, obligation towards negative grant payable to concessionaires, if any, and any directly attributable expenditure on making the commercial right ready for its intended use.

**e) Depreciation and amortization**

Depreciation on assets has been provided on straight-line basis at the useful lives specified in Schedule II to the Companies Act, 2013. Depreciation on additions / deductions is calculated pro-rate from/to the month of additions / deductions.

**f) Impairment**

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

**g) Revenue**

**Revenue Recognition :**

The Company has adopted Ind AS 115 "Revenue from Contracts with Customers" with the date of initial application being April 1, 2018. Ind AS 115, revenue from contracts with customers, mandatory for reporting period beginning on or after April 1, 2018 replaced existing revenue recognition requirements i.e. Ind AS 18 Revenue Recognition and Ind AS 11 Construction Contracts. There were no significant adjustments required to the retained earnings as on April 1, 2018.

Accordingly, the policy for Revenue is amended as under:

The Company derives revenue primarily from annuity and other miscellaneous construction contracts. To recognize revenue, the Company applies the following five step approach: (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligation in the contract, and (5) recognize revenue when a performance obligation is satisfied.

At contract inception, the Company assesses its promise to transfer services to a customer to identify separate performance obligations. The Company applies judgment to determine whether each service promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised services are combined and accounted as a single performance obligation. For performance obligations where control is transferred over time, revenue are recognized by measuring progress towards completion of the performance obligation. The selection of the method to measure progress towards completion requires judgment and is based on the nature of the services to be provided. The method for recognizing revenues and cost depends on the nature of the services rendered.

**Others**

Insurance and other claims are recognized as revenue on virtual certainty of receipt basis.

Dividend income is recognized when the right to receive is established. Other items of income are accounted as and when the right to receive arises and recovery is certain.

**h) Borrowings Costs**

In Case of concession arrangement under financial asset model, borrowing Costs that are attributable to the acquisition and/or construction of the infrastructure are charged to The Statement of Profit and Loss in the period in which such costs are incurred.

In Case of concession arrangement under intangible asset model, borrowing cost of qualifying assets are capitalized as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. Any income on the temporary investments of borrowings is deducted from the borrowing cost. All borrowing cost subsequent to the capitalization of the intangible assets are charged to the Statement of Profit and Loss in the period in which such costs are incurred.

**i) Earnings/(loss) per share**

Basic earnings per share are calculated by dividing the net the Statement of Profit and Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net the Statement of Profit and Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

**j) Employee Benefits**

Provisions for/contributions to retirement benefit schemes are made as follow as per Indian Accounting Standard ( Ind AS) – 19, “Employee Benefits:

- a) Provident fund on actual liability basis
- b) Gratuity based on actuarial valuation
- c) Leave encashment benefit on retirement on actuarial valuation basis.

**k) Taxes on Income**

*Current Tax*

Tax on income for the current year is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

*Deferred Tax*

Deferred Tax is recognized on timing differences between the accounting income and the taxable income for the year, and qualified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

At each reporting date, the entities in the group re-assess unrecognised deferred tax assets. It recognizes unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each reporting date. The entities in the group writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably

certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

**l) Cash and Cash Equivalents**

Cash and cash equivalents in the cash flow statement comprise of cash at bank and on hand and include short term investments with an original maturity of three months or less.

**m) Provisions and contingent liabilities**

Provision is recognized when the Company has a present obligation as a result of a past event and when it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management's best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. A disclosure of a contingent liability is made when there is a possible or a present obligation that may, but probably will not, require an outflow of resources.

**n) Claims**

- a. Company's claims against the Concessing Authority for additional scope of work, utility shifting etc. are accounted for as and when received.
- b. Contractor's claims regarding additional scope of work, utility shifting etc. are accounted for when related claims of the Company are received from the Concessing Authority.
- c. Other claims against/by the company are accounted for as and when accepted.

**o) Pre-operative Expenditure**

Incidental expenditure incurred during construction period towards "Concessionaire Asset" is capitalised on completion of construction and obtaining related COD.

**p) Foreign currency transactions and derivatives**

- a. The reporting currency of the company is the Indian Rupee.
- b. Foreign currency transactions are recorded on initial recognition in the foreign currency, using the exchange rate on the date of the transaction.
- c. At each Balance Sheet date, foreign currency monetary items are reported using the closing rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of monetary items at the closing rate are adjusted in pre-operative expenses.

**q) Leases:**

The objective of the Ind AS 116 is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. Ind AS 116 introduces a single lessee accounting

model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value.

Under Ind AS 116 lessees have to recognise a lease liability reflecting future lease payments and a 'right-of-use asset' for almost all lease contracts. Under Ind AS 116, a contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The company has not entered into any lease agreement for a period of more than 12 months and hence, Ind AS 116 is not applicable.

**r) Investments in Associates and Joint Ventures**

This Standard shall be applied in accounting for investments in associates and to set out the requirements for the application of the equity method when accounting for investments in associates and joint ventures. The Standard shall be applied by all entities that are investors with joint control of, or significant influence over, an investee. The Company has not made any investments in associates, hence, this Ind-AS 28 is not applicable.

**s) Business Combinations**

Ind AS 103 provides guidance on accounting for business combinations under the acquisition method. A business combination is a transaction or other event in which a reporting entity (the acquirer) obtains control of one or more businesses (the acquiree). The Company is not involved in any transaction of business combination under acquisition method and hence, Ind AS 103 is not applicable.

**t) Joint Arrangements**

The Standard shall be applied by all entities that are a party to a joint arrangement. A joint arrangement is an arrangement of which two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control. The company is a special purpose vehicle (SPV) has not entered into any arrangement with any entity having joint control or joint venture. Hence, Ind AS 111 is not applicable.

**22 Employee benefits expense (continued..)**

**Major risk to the Post Employment Benefit plan**

**A. Actuarial Risk:**

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected.

Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity Benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity Benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

**B. Investment Risk:**

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

**C. Liquidity Risk:**

Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cashflows.

**D. Market Risk:**

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & viceversa. This assumption depends on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

**E. Legislative Risk:**

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

The carrying amount of current financial assets and current trade and other payables measured at amortised cost are considered to be the same as their fair values, due to their short term nature.

The carrying value of Rupee Term Loan and Loan from Related Party approximate fair value as the instruments are at prevailing market rate.

**27 Significant accounting judgments, estimates and assumptions**

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**28 Fair Values**

The management assessed that cash and cash equivalents, trade receivables, current loans, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments or as they carry market rate of interest.

**29 Financial risk management objectives and policies**

The company's activities expose it to variety of financial risks : market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

**29 Financial risk management objectives and policies (Continued)**

**i) Interest rate risk**

The company is exposed to interest rate risk because it borrows funds primarily at floating interest rates. However, the interest rates are dependant on base rates/prime lending rates of the lead bank which are not expected to change very frequently and the estimate of the management is that these will not have significant upward trend.

**The company's exposure to interest rate risk due to variable interest rate borrowings is as follows:**

	As at	
	31 March 2022	31 March 2021
Senior Debt from Banks - Variable rate borrowings	9,380.50	11,412.78

Sensitivity analysis based on average outstanding Senior Debt

	31 March 2022	31 March 2021
Increase or decrease in interest rate by 25 basis points	25.99	30.80

Note: Profit will increase in case of decrease in interest rate and vice versa

**ii) Price risk**

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk).

The company is exposed to price risk due to investments in mutual funds and classified as fair value through profit and loss.

The company measures risk through sensitivity analysis.

The company's risk management policy is to mitigate the risk by investments in diversified mutual funds.

The company does not expose to price risks as on 31st March 2022.

**b) Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing creditworthy counterparties. The management believes that the credit risk is negligible since its main receivable is from the grantors of the concession which is Government Authority.

**c) Liquidity Risk**

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial assets.

The company is exposed to liquidity risk due to bank borrowings and trade and other payables.

The company measures risk by forecasting cash flows.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company ensures that it has sufficient fund to meet expected operational expenses, servicing of financial obligations.

The following tables detail the company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the company may be required to pay.

NHAI had issued notice dated 29.11.2019 to the Company to recover an amount of Rs 9.16 Crores plus interest towards alleged recovery of damages on account of delay in completion of over lay (1st Major Maintenance Works). GLRL filed Section 9 petition [OMP (I) (COMM) 42/2020] before the Hon'ble High Court of Delhi and the Court had granted stay order on this matter.

The notice from NHAI for recovery of damages is illegal because of the fact that the Independent Engineer (IE) vide their letter dated 19.04.2018 informed to NHAI that even though the Provisional Certificate was issued in 2010, the entire stretch of the Project Highway was not complete by that time. Further, the incomplete stretches were in bits and pieces which would have made it impossible for any overlay works to be undertaken by the Company. Based on the recommendations of the Independent Engineer, Project Director, NHAI vide their letter dated 24.04.2018 issued a letter to Regional Officer and accepted the IE's view not to levy any penalty on the Company.

**Present Status:**

The Company and the NHAI have opted for resolving the dispute through Conciliation mechanism constituted by NHAI. Both the parties have since referred the matter to Conciliation Committee of Independent Experts ("CCIE - 2"). The Conciliation Committee of Independent Experts at their meeting held on 14th December, 2021 and 21st April 2022 considered opinion for an amicable settlement at net zero settlement for both the Parties and the Company and NHAI have also agreed for the same. The settlement agreement is yet to be executed by both the parties.

**1. Escalation/cost overrun arbitration claims:**

The Company (GLRL) had incurred additional costs on account prolongation of construction period and reasons for delay on part of NHAI. Hence, GLRL raised claims against NHAI. The Arbitration Tribunal ("AT") delivered Award on 29.03.2019 on this matter.

In this matter, there is no Majority Award, three AT members were delivered three different Awards as details given below:

- (i) Presiding Arbitrator Award amount – Rs. 11.39 Cr (Rs. 10.36 + interest Rs.1.03)
- (ii) Claimant's Nominee Arbitrator Award amount – Rs. 42.33 Cr (Rs. 30.93 + interest Rs.11.39)
- (iii) Respondent's Nominee Arbitrator Award amount – Rs. 3.53 Cr

GLRL challenged AT Award under Section-34 of Arbitration and Conciliation Act, 1996. It is pending before the High Court of Delhi in OMP (Comm.) No. 386 of 2019. NHAI has filed a counter petition which is OMP (Comm.) No. 450 of 2019.

**Present Status:**

The Company and the NHAI have opted for resolving the dispute through Conciliation mechanism constituted by NHAI. Both the parties have since referred the matter to Conciliation Committee of Independent Experts ("CCIE - 2"). The Conciliation Committee of Independent Experts at their meeting held on 14th December, 2021 considered opinion for an amicable settlement at net zero settlement for both the Parties and the Company has also agreed for the same.

**2. Change of Scope work arbitration claims:**

The NHAI issued an letter dated 19.09.2018 to the Escrow Bank to release a sum of Rs 18.78 Crores towards Negative Change of scope works. GLRL had protested the same and approached the High Court of Delhi under Section-9 of Arbitration Act and Hon'ble High Court of Delhi granted stay on recovery and Arbitral Tribunal (AT) was constituted for this matter.

Arbitral Tribunal (AT) Award was published on 28.01.2020. AT Awarded in favour of the Company an amount of Rs 10.06 Crores with interest 12% per annum from 03.09.2016 till realization of payment.

**Present Status:**

The Company and the NHAI have opted for resolving the dispute through Conciliation mechanism constituted by NHAI. **37 Comparatives**

Previous year comparatives have been reclassified and regrouped wherever necessary, to confirm to current years' presentation.

**38 Events after the reporting period**

There are no significant events after the reporting period that substantially affect the financial position of the company.

**39 Financial Asset :** The Financial Income and O&M Income are part of total revenue by way of annuity receipts from NHAI (year on year) over the Concession Period. It is based on estimate of Annual and Periodic Maintenance, Interest income on outstanding Financial Asset (as per Ind-As) and recoveries towards Financial Asset such that the Financial Asset at the end of the Concession Period is nil. Changes if any in those estimates will be adjusted only if material and other than temporary (in nature) in relation to the cost of overall projects and recoveries towards it.

**40 Impact of Covid-19 on Performance of the Company**

The entire world is collectively entangled in fighting the Coronavirus/ COVID-19 pandemic, businesses are facing several financial and physical hardships due to the mandatory government lockdowns. During the FY 2021-22, the lock down period was in the month of April 2021 and May 2021 due to Govt. of India/State Govt. restrictions. The registered office and project office were closed during the period. However, the company has provided mandatory operation and maintenance services on the project road during the lockdown period.

The Company is a Special Purpose Vehicle (SPV) incorporated for execution of project "Improvement, Operation and Maintenance, Rehabilitation and Strengthening of existing 2-lane Road and widening to 4-lane Divided Highway of NH-25/26 in the state of Uttar Pradesh on Build Operate Transfer (BOT) on Annuity Basis". During the Financial Year 2021-22, the Company has received 2 annuities on due dates. There was no impact of COVID-19 on the performance of the Company during the year either on revenue or the expenses of the company. During mandatory lockdown and Govt. restrictions, the employees have worked from home intermittently. Hence, there was no impact on productivity of employees. The travelling cost was reduced significantly because the meetings with NHAI, lawyers, bankers were held through online mode. This is to highlight that the Company has received 24th and 25th Annuities on due dated during the year without any delay.
