NOTICE

Notice is hereby given that the 17th Annual General Meeting of the Members of Gayatri Highways Limited will be held on Friday, the 29th day of September, 2023 at 3.30 P.M through Video Conferencing (“VC”) / Other Audio Visual Means (“OAVM”) without the physical presence of the Members at a common venue (deemed to be conducted at the Registered Office of the Company) to transact the businesses mentioned below:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements (including the Consolidated Financial Statements) of the company for the financial year ended 31st March, 2023 and the Board’s Report and Auditor’s Report thereon.

By the Order of the Board,
For **Gayatri Highways Limited**

P. Raj Kumar
Company Secretary
Membership No. A23289

Place: Hyderabad
Date: 10th August, 2023

**Notes:**

1. The Register of Members and Share Transfer Books of the Company will be closed from 23rd September, 2023 to 29th September, 2023 (both days inclusive).
2. In case of joint holders attending the meeting, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
3. Members seeking any information with regard to the Accounts are requested to email to the Company at cs@gayatrihighways.com at least seven days before the meeting, so that the Management can keep the information ready at the meeting.
4. Shareholders are requested to furnish their e-mail IDs to enable the Company to forward all the requisite information in electronic mode and support the green initiative. In case of the Shareholders holding shares in demat form the email IDs of the shareholders registered with DP and made available to the Company shall be the registered email IDs unless communication is received to the contrary.
5. The Securities and Exchange Board of India has mandated submission of Permanent Account Number (PAN) by every participant in securities market for transaction of transfer, transmission/transposition and deletion of name of deceased holder. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they have demat accounts. Members holding shares in physical form can submit their PAN details to the Registrar & Share Transfer Agents, KFin Technologies Limited.
6. Pursuant to the Ministry of Corporate Affairs ("MCA") General Circular No. 10/2022 dated 28th December, 2022, and Securities and Exchange Board of India ("SEBI") Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 05, 2023, and any other applicable circular issued by MCA and SEBI issued in this regard, the Company is holding its Annual General Meeting through video conferencing / other audio visual means ("VC / OAVM").
7. Pursuant to section 108 of the Companies Act, 2013 read with the rules made thereunder and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular No. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020, the, the Company has provided the facility to its members to exercise their votes on the resolution electronically through the e-voting facility provided by KFin Technologies Limited (Formerly known as Kfin Technologies Private Limited) ("KFIN"), the Company's Registrar and Transfer Agent. Members who have cast their votes on the resolution by remote e-voting prior to the AGM may participate in the AGM through login credentials provided to them but shall not be entitled to cast their votes again.

The Company shall provide the facility to the members who have not voted through remote e-voting, the facility of electronic voting system during the AGM.

The attendance of shareholders (members' logins) attending the Meeting will be counted for the purpose of reckoning the quorum under Section 103 of the Act.

8. Member entitled to attend and vote at a meeting is entitled to appoint a proxy to attend and vote instead of himself / herself and the proxy need not be a Member of the Company. Since the AGM is being held through VC / OAVM, physical attendance of Members is dispensed with, so, the facility for appointment of proxies is not available. Hence proxy forms, attendance slips and route map are not annexed to this Notice.
9. Corporate Members intending to authorise their representatives to attend the meeting pursuant to Section 113 of the Act, are requested to email certified copy of the Board / Committee / Governing Body resolution / authorisation letter, etc., authorising their representatives to attend and vote on their behalf. The documents should be emailed to cs@gayatrihighways.com and a copy marked to evoting@kfintech.com with the subject line Gayatri Highways Limited.
10. The Company has appointed Mr. C.N.Kranthi Kumar, Company Secretary in Practice, Hyderabad, Telangana (Membership No. F9255 and Certificate of Practice No.13889, Peer Reviewed Certificate No.612/2019), as the Scrutinizer to scrutinize remote e-voting process and e-voting at the Meeting in a fair and transparent manner. The Scrutinizer shall immediately after the conclusion of the Meeting, first count the votes cast at the Meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses who are not in the employment of the Company. The Scrutinizer shall submit a consolidated Scrutinizer's Report of the total votes cast in favour of or against, if any, not later than forty eight hours after

the conclusion of the Meeting to the Chairman of the meeting. The Chairman, or any other person authorised by the Chairman, shall declare the result of the voting forthwith. The resolutions will be deemed to be passed on the date of the Meeting subject to receipt of the requisite number of votes in favour of the resolutions.

11. The results declared along with the Scrutinizer's report will be forwarded to BSE Limited and National Stock Exchange of India Limited; be displayed at the Registered Office of the Company and simultaneously uploaded on the Company's website at <http://www.gayatrihighways.com> and the Company's Registrar and Transfer Agent, Kfin, at <https://evoting.kfintech.com>.
12. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act, will be available for inspection by the Members through electronic mode during the AGM.
13. Members of the Company had approved the appointment of M/s PRSV & Co. LLP, Chartered Accountants, Hyderabad (ICAI Regn. No. S200016), as the Statutory Auditors at the AGM held on 28th September, 2022, which is valid till the 21st AGM of the Company. In accordance with the provisions of the Act, the appointment of Statutory Auditors is not required to be ratified at every AGM.
14. For shares held in electronic form: Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts.
15. For shares held in physical form: SEBI vide its Circular dated 3rd November, 2021 has mandated registration of PAN, KYC details and Nomination, by holders of physical securities.  - Members may call KFin toll free number 1-800-309-4001 for any clarifications / assistance that may be required.

REMOTE E-VOTING

22. In compliance with the provisions of Section 108 of the Act, Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, Regulation 44 of the Listing Regulations read

with SEBI relevant circular 'e-voting Facility Provided by Listed Entities' ("SEBI e-voting Circular"), the Company is pleased to provide to Members facility to exercise their right to vote on resolutions proposed to be considered at the AGM by electronic means through e-voting services arranged by KFin. Members may cast their votes using an electronic voting system from a place other than the venue of the AGM ("remote e-voting").

23. The remote e-voting period commences on 25th September, 2023 (9:00 a.m. IST) and ends on 28th September, 2023 (5:00 p.m. IST). During this period, Members of the Company holding shares either in physical form or in demat form, as on the cut-off date i.e. Thursday, 21st September, 2023 may cast their vote by remote e-voting. The remote e-voting module shall be disabled by KFin for voting thereafter. Once the vote on a resolution is cast by a Member, the Member shall not be allowed to change it subsequently.
24. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date.
25. Any person holding shares in physical form and non-individual shareholders holding shares as of the cut-off date, may obtain the login ID and password by sending a request at evoting@Kfintech.com. In case they are already registered with KFin for remote e-voting, they can use their existing User ID and password for voting.
26. In terms of SEBI e-voting Circular, e-voting process has been enabled for all 'individual demat account holders', by way of a single login credential, through their demat accounts / websites of Depositories / Depository Participant(s) ("DP"). The detailed instructions for remote e-voting are given below.
27. Individual members having demat account(s) would be able to cast their vote without having to register again with the e-voting service provider ("ESP"), i.e. KFin, thereby not only facilitating seamless authentication but also ease and convenience of participating in the e-voting process. Members are advised to update their mobile number and e-mail ID with their DPs to access the e-voting facility.

JOINING THE MEETING THROUGH VC / OAVM:

28. Members will be able to attend the AGM through VC / OAVM or view the live webcast of the AGM at <https://emeetings.kfintech.com/> by using their remote e-voting login credentials and selecting the 'Event' for Company's AGM.
29. Members who do not have the User ID and Password for e-voting or have forgotten the User ID and Password may retrieve the same by following the remote e-voting instructions mentioned in the AGM Notice. Further, Members can also use the OTP based login for logging into the e-voting system.
30. Members may join the AGM through laptops, smartphones, tablets or ipads for better experience. Further, Members will be required to use internet with a good speed to avoid any disturbance during the AGM. Members will need the latest version of Chrome, Safari, Internet Explorer 11, MS Edge or Mozilla Firefox. Please note that participants connecting from mobile devices or tablets or through laptops connecting via mobile hotspot may experience audio / video loss due to fluctuation in their respective network. It is therefore recommended to use stable Wi-Fi or LAN connection to mitigate any glitches. Members will be required to grant access to the web-cam to enable two-way video conferencing.
31. Facility of joining the AGM through VC / OAVM shall open 30 minutes before the time scheduled for the AGM and shall be kept open throughout the AGM. Members will be able to participate in the AGM through VC / OAVM on a first-come-first-serve basis. Large Members (i.e. Members holding 2% or more shareholding), promoters, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination Remuneration and Stakeholders Relationship Committee, Auditors, etc. will not be subject to the aforesaid restriction of first-come first-serve basis. Institutional Members are encouraged to participate at the AGM through VC / OAVM and vote thereat.
32. Members are requested to attend and participate at the Meeting through VC / OAVM and cast their vote either through remote e-voting facility or through e-voting facility to be provided during Meeting. The facility of e-voting during the Meeting will be available to those members who have not cast their vote by remote e-voting. Members, who cast their vote by remote e-voting, may attend the Meeting through VC / OAVM, but will not be entitled to cast their vote once again on the resolutions. If a member casts votes by both

modes, i.e. voting at Meeting and remote e-voting, voting done through remote e-voting shall prevail and vote at the Meeting shall be treated as invalid.

In case of any query and / or assistance required, relating to attending the Meeting through VC / OAVM mode, members may refer to the Help & Frequently Asked Questions (FAQs) and 'AGM VC / OAVM' user manual available at the download Section of <https://evoting.kfintech.com> or contact Mr. Ganesh Chandra Patro, Senior Manager, KFin at the email ID evoting@kfintech.com on KFin's toll free No.: 1800-309-4001 for any further clarifications / technical assistance that may be required.

FUTURE OUTLOOK

Infrastructure is a key enabler in helping India become a US\$ 26 trillion economy. Investments in building and upgrading physical infrastructure, especially in synergy with the ease of doing business initiatives, remain pivotal to increase efficiency and costs. Prime Minister Narendra Modi also recently reiterated that infrastructure is a crucial pillar to ensure good governance across sectors.

The government's focus on building infrastructure of the future has been evident given the slew of initiatives launched recently. The US\$ 1.3 trillion national master plan for infrastructure, Gati Shakti, has been a forerunner to bring about systemic and effective reforms in the sector, and has already shown a significant headway.

In the road's sector, the Government's policy to increase private sector participation has proved to be a boon for the infrastructure industry as many private players are entering the business through the public-private partnership (PPP) model.

Infrastructure support to nation's manufacturers also remains one of the top agendas as it will significantly transform goods and exports movement making freight delivery effective and economical.

Your Company is exploring new opportunities to identify suitable and viable project or to continue and strengthen its present business with its existing SPVs keeping in view the current business conditions, financial constraints, modern technologies, project deadlines, safety protocols, compliances and market margins.

We would like to inform you that our wholly owned subsidiary 'Sai Maatarini Tollways Limited' (SMTL) has issued a notice dated 9th March 2019 of "Intention to Terminate the Concession Agreement on account of, inter-alia, irreparable loss of toll revenue due to reasons not attributable to the Concessionaire-Force Majeure (Political Event)" to NHAI to terminate the concession agreement and also issued "Termination Notice for the Force Majeure (Political Event) on 27th March 2019.

NHAI had issued a Notice dated 10.04.2019 of "Intention for Termination under clause 37 of the concession agreement dated 28.09.2011" stating default of the concessionaire. In response to this notice, SMTL replied in detail to NHAI that the default is not on part of the Concessionaire. Later the Lenders had exercised their Right to Substitution of concessionaire vide their letter dated 24.04.2019. Based on that NHAI withhold the termination for 9 months.

There after NHAI terminated the Concession Agreement vide their letter dated 28.01.2020 and the project assets have been handed over to the NHAI at 08.00 AM on 30.01.2020.

SMTL, based on Authority's default, has raised a claim of Rs. 2,834.47 Cr (which includes Equity of Rs.835.19 Cr and Total Debt Due of Rs.1,999.28 Crs) strictly adopting the relevant clauses of the Concession Agreement.

SMTL has filed a petition as per Section 9 of the Arbitration & Conciliation Act, 1996 in the High Court of Delhi, New Delhi against NHAI on 21st December, 2019 requesting NHAI to deposit 90% of the Debt Due i.e., Rs. 1,765.08 Crore (Rs. 1,961.2 X 90%) as per the provisions of the Concession Agreement.

This Petition was filed to protect the interest of the lenders and to remit an amount of Rs. 1,765.08 Crores to the Consortium of Lenders.

The proceedings of CCIE started in the month of June, the first meeting was held on 01.07.2020, in which the CCIE has opined that the Concession Agreement had been terminated on account of mutual differences between the parties with none of them being at default of their respective obligations under the Concession Agreement. As such, the CCIE had advised that the parties should amicably resolve the disputes to avoid protracted litigation. The company vide their letter dated 13.03.2021 requested NHAI for arranging a Second meeting before CCIE.

SMTL engaged Deloitte as an exclusive financial advisor, based on the Deloitte report, SMTL wrote a letter to NHAI GM(T) dated 17.11.2020 requesting to release the Termination payment. As per the discussions with NHAI Officials it is found that NHAI is going to pay a mere amount towards Termination Payment.

The NHAI has released Rs.35,861 Lakhs as an advance for Termination Payment payable to the company and after deducting TDS of Rs. 537 Lakhs & GST TDS of Rs. 717 Lakhs on Rs. 35,861 Lakhs an amount of Rs. 34,606 Lakhs is credited to the Companies Escrow account on 31.03.2021. Further, NHAI has released Rs. 11,006 lacs on 5th April 2021 as an advance for Termination Payment and after deducting TDS of Rs. 165 lacs and GST TDS of Rs. 220 lacs, an amount of Rs. 10621 lacs was credited to the Companies Escrow Account.

IDBI Bank Limited (Lead Lender) on behalf of all the consortium lenders filed a case against M/s Sai Maatarini Tollways Limited and its directors and M/s Gayatri Projects Limited & M/s IDBI Trusteeship Services Limited under sub-section (4) of Section 19 of the Debt Recovery Tribunal Act, read with Sub Rule(2A) of Rule 5 of the Debt Recovery Tribunal (Procedure) Rules, 1993, whereas the case is listed before Hon'ble Debts Recovery Tribunal-1 on 23.09.2020.

Whereas, Hon'ble Tribunal issued summons on the said Application under Section 19 (4) of the Act, (Order Application) for recovery of debts of Rs.2051,21,51,325.42 Ps on 05.10.2020, where under SMTL directed to file Written Statement . SMTL received all the documents on 17.03.2021 and they have to file the counter petition.

Settlement Agreement with NHAI on 30.03.2023

During the consortium meeting held on 21.03.2023 lenders reiterated their stand that the balance termination payment of Rs.337.20 crore from NHAI would be full and final settlement from NHAI, and advised SMTL to complete the formalities for release of termination payment from NHAI before end March 2023 and also to execute necessary documents.

Accordingly, In connection with the termination of the project, the SMTL has entered in to a Settlement agreement with NHAI on 30.03.2023 towards the full and final settlement of all dues and Claims and both the parties (NHAI and the Company) shall not have any rights and obligations towards each other as per the settlement agreement. MANAGEMENT DISCUSSION AND ANALYSIS

COMPANY'S OVERVIEW

Gayatri Highways Limited - GHL ("the Company") was incorporated during the year 2006 in accordance with the provisions of Companies Act, 1956. The Company on its own and through its jointly controlled entities is in the business of construction, operations and maintenance of carriageways on toll and annuity basis pursuant to the development agreements with the National and State Governments and makes investments in companies engaged in the construction, operations and maintenance of roads, highways, vehicle bridges and tunnels and toll roads. The registered office of the Company is located at 5th Floor, A-Block, 6-3-1090, TSR Towers, Rajbhavan Road, Somajiguda, Hyderabad-500082, Telangana.

Industry Analysis:

Increased impetus to develop infrastructure in the country is attracting both domestic and international players. In the road's sector, the Government's policy to increase private sector participation has proved to be a boon for the infrastructure industry as many private players are entering the business through the public private partnership (PPP) model. According to a leading analysis forecast, India is expected to become the third largest construction market globally.

Minister for Road Transport & Highways and Micro, Small and Medium Enterprises stated that the government is giving utmost priority to infrastructure development and has set a target of road construction of worth Rs. 15 lakh crore (US\$ 206 billion) in the next two years.

Opportunities and Threats

In view of more and more competition in construction industry, the opportunities for securing contracts need continuous innovation in its various core functions. The Company has emerged as a significant Infrastructure Company with diversification in Roads and Expressways. The Company is poised to seize every opportunity to expand the existing line of business. The Company is well equipped to handle threats of competition and challenges or the Company's ongoing execution of Projects.

Business outlook:

In Union Budget 2023-24, the Government of India has given a massive push to the infrastructure sector by allocating approximately Rs. 2,70,435 Crores to enhance the infrastructure sector by emphasizing its importance and creating modern infrastructure.

The Budget aims to construct 25,000 Kilometers of National Highways in 2022-23 which is nearly double that of the maximum achieved the last 5 years, and by 2024, the Ministry of Road Transport and Highways wants to build 60,000 kms of world-class national highways at a rate of 40 kms each day, and 2 Lakh kms of National Highways are targeted to be completed by 2024-25 under PM Gati Shakti.

In the road's sector, the Government's policy to increase private sector participation has proved to be a boon for the infrastructure industry as many private players are entering the business through the public-private partnership (PPP) model.

Your Company is exploring new opportunities to identify suitable and viable project or to continue and strengthen its present business with its existing SPVs keeping in view the current business conditions, financial constraints, modern technologies, project deadlines, safety protocols, compliances and market margins

RISKS AND CONCERNS

Inadequate risk management is a primary cause of concern indicated by most organizations in India. To be in a position to have fully identified all risks associated with a project and have a response plan for each; that is

clearly a benchmark most organizations acknowledge, nevertheless, do little about it. Risk Management by its very nature is flawed because it only identifies the things project managers know; it fails to appreciate the “unknown”, “unknowns”, the “un-controllable”. That said, the more risks identified and planned for, the better position the project team is in to deliver a successful project. Risk Management has been identified as a best practice by most respondents. Moreover, there is a growing concern among Organizations about inaccurate risk identification. The project will yield continuous flow of revenue for the Company

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The Company has adequate Internal Control Systems and Procedures with regard to purchase of Stores, Raw Materials including Components, Plant and Machinery, equipment, sale of goods and other assets. The company has clearly defined roles and responsibilities for all managerial positions and all operating parameters are monitored and controlled.

The Company designs and maintains accounting and internal control systems to provide reasonable assurance at reasonable cost that assets are safeguarded against loss from unauthorized use or disposition, and that the financial records are reliable for preparing financial statements and maintaining accountability for assets. These systems are augmented by written policies, an organizational structure providing division of responsibilities, careful selection and training of qualified personnel, and a program of internal audits.

INDEPENDENT AUDITOR'S REPORT

To the Members of GAYATRI HIGHWAYS LIMITED

Report on the audit of the Standalone Ind AS financial statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of **Gayatri Highways Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2023 and the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, its loss, its cashflows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
<p>1. As at 31 March 2023, the Company has total investments of Rs. 198.94 Cr (Net of impairment) which are classified as financial assets in the financial statements. Out of which the Company has an investment of Rs. 0.1 Cr in the equity and instruments entirely equity in nature of various Subsidiaries of the Company and Rs, 198.84 Cr in the equity, optionally convertible debentures and instruments entirely equity in nature of Jointly controlled entities of the Company,</p> <p>The management regularly reviews whether there are any indicators of impairment on unquoted investments made by the company.</p>	<p>1. In respect of the impairment indicator assessment for the investments in subsidiaries/joint ventures, our audit procedures included and were not limited to the following: -</p> <ul style="list-style-type: none"> • Obtained and read the financial statements of subsidiaries/joint ventures to identify if any disclosure is made for impairment of assets in its standalone financial statements. • Obtained the impairment indicator assessment performed by the management considering internal/external sources of information.

As per Ind AS 36 - 'Impairment of Assets' the standard is applicable to financial assets classified as Investments in subsidiaries, associates and joint ventures. Accordingly, in assessing whether there is any indication that an asset may be impaired, an entity shall consider as a minimum, the external and internal sources of information, any other indications or evidences from internal reporting that indicates that the assets may be impaired.

This assessment involves significant judgment especially in relation to determination of expected future economic benefits.

Accordingly the evaluation of impairment of investments in subsidiaries/joint ventures was determined to be a key audit matter.

2. The Company has been incurring operating losses during the past few years and the current liabilities of the Company exceed its current assets.

The Company financial statements were prepared on a going concern basis. Management's statement in respect of going concern is set out in Note 36 of the financial statements.

- We have obtained the management's understanding with regard to impairment of the investments made in loss making subsidiary companies/joint ventures.
- We have obtained the company's management opinion in estimating the realizable value of the investments made by the subsidiary companies/joint ventures.

2. We have evaluated the assumptions and forecasts made by management. We have specifically devoted attention to the assumptions made with respect to the future value added, the results and the cash flows in order to assess the company's ability to continue meeting its payment obligations and its obligations under the financing covenants in the year ahead

Emphasis of Matter

We draw attention to Note 13(vi) to the financial statements which stated that interest on outstanding loan to IL&FS Financial Services Limited (IFIN) was recognized only on the principal amount, as the company has not received any balance confirmation from IFIN. The final amount payable to IFIN may vary from the interest amount that was already provided in the financial statements of the Company.

Our opinion is not modified in respect of this matter.

Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

 - i. The company does not have any pending litigations which would impact its financial position except those disclosed in financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company does not have any pending litigations which would impact its financial position except those disclosed in financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- iv. a) the management has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) the management has represented that, to the best of their knowledge and belief, no funds have been received by the Company to or in any other person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) based on our audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that that has caused us to believe that the representations under above sub-clause (a) and (b) contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. April 1, 2023, reporting under this clause is not applicable.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT (Referred to in our Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Gayatri Highways Limited ("the Company") as of 31st March 2023 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

1. Nature of operations

Gayatri Highways Limited - GHL (“the Company”) was incorporated during the year 2006 in accordance with the provisions of Companies Act, 1956. The Company on its own and through its jointly controlled entities is in the business of construction, operations and maintenance of carriageways on toll and annuity basis pursuant to the development agreements with the National and State Governments and makes investments in companies engaged in the construction, operations and maintenance of roads, highways, vehicle bridges and tunnels and toll roads. The registered office of the Company is located in 6-3-1090, 5th Floor, A-Block, TSR Towers, Rajbhavan Road, Somajiguda, Hyderabad-500082.

2. Summary of significant accounting policies

a) Basis of preparation of standalone financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Unless otherwise stated, the accounting policies applied by the Group are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the group’s normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of work and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the group has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities

b) Use of estimates

The preparation of the consolidated financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the financial statements and amounts of income and expenses. Examples of such estimates include the provision for doubtful receivables, determination of recoverable amounts of fixed assets, deferred tax assets, employee benefits and useful lives of fixed assets.

Although these estimates are based on management’s best knowledge of current events and actions, actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

Significant accounting judgements, estimates and assumptions

The preparation of the Company’s financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

c) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- Expected to be settled in normal operating cycle;
- Held primarily for the purpose of trading;
- Due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its operating cycle.

d) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest income: For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

e) Earnings/(loss) per share

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

f) Provisions and contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

g) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

h) Taxes

Income tax expense comprises of current and deferred tax. Current income tax assets and liabilities is measured at the amount expected to be recovered from or paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provision where appropriate.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

i) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

A) Financial Asset

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables and loans.

Equity investments:

All equity investments in jointly controlled entities are measured at cost less diminution other than temporary. All equity investments in scope of Ind AS 109 are measured at fair value. Equity investments which are held for trading are classified as FVTPL. For all other equity investments, the Company may make an irrevocable election to present in OCI subsequent changes in fair value. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in OCI. There is no recycling of amounts from OCI to P&L, even on sale of investment. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- a. the rights to receive cash flows from the asset have expired, or
- b. the Company has transferred its rights to receive cash flows from the asset, and (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on debt instruments.

B) Financial Liability

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

j) Fixed assets

Tangible assets are stated at cost of acquisition, less accumulated depreciation thereon. The cost of an item of fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Intangible assets represent commercial rights to collect toll fee in relation to roads projects which has been accounted at the cost incurred on the project activity towards reconstruction, strengthening, widening, rehabilitation of the roads on build, operate and transfer basis. It includes all direct material, labour and subcontracting costs, inward freight, duties, taxes, obligation towards negative grant payable to concessionaires, if any, and any directly attributable expenditure on making the commercial right ready for its intended use.

k) Depreciation and amortization

Depreciation of tangible assets is provided on the basis of straight line method in accordance with Schedule II to the Companies Act, 2013.

l) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

m) Borrowings Costs

In Case of concession arrangement under financial asset model, borrowing Costs that are attributable to the acquisition and/or construction of the infrastructure are charged to The Statement of Profit and Loss in the period in which such costs are incurred.

In Case of concession arrangement under intangible asset model, borrowing cost of qualifying assets are capitalized as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. Any income on the temporary investments of borrowings is deducted from the borrowing cost. All borrowing cost subsequent to the capitalization of the intangible assets are charged to the Statement of Profit and Loss in the period in which such costs are incurred.

n) Foreign currency transactions and derivatives

- a. The reporting currency of the company is the Indian Rupee.
- b. Foreign currency transactions are recorded on initial recognition in the foreign currency, using the exchange rate on the date of the transaction.
- c. At each Balance Sheet date, foreign currency monetary items are reported using the closing rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of monetary items at the closing rate are adjusted in pre-operative expenses.

o) Employee benefits

GRATUITY - Company's liability towards gratuity is determined by independent actuaries, using the projected unit credit method.

Past service costs are recognised immediately in the statement of profit and loss. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions for defined benefit obligation and plan assets are recognised in OCI in the period in which they arise. When the benefits under a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to

past service or the gain or loss on curtailment is recognised immediately in the statement of profit and loss. The Company recognises gains or losses on the settlement of a defined benefit plan obligation when the settlement occurs.

p) Recent Accounting Pronouncements:

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1st, 2023, as below:

- 1) **Ind AS 1 – Presentation of Financial Statements:** The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information included in an entity’s financial statements, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.
- 2) **Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors:** The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.
- 3) **Ind AS 12 – Income Taxes:** The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

*Note on Impairment and Investments Written off:

i. Sai Maatarini Tollways Limited (SMTL)

Pursuant to termination of project, Sai Maatarini Tollways Limited, Loan Accounts have become NPA and Lenders have filed the cases before DRT for recovery. Out of total outstanding loan of about Rs. 2173.29 Crores, NHAI is settling the matter without any payment towards Equity/Quasi Equity. Hence, nothing is receivable to GHL towards the Equity/Quasi Equity. The SMTL bank accounts are frozen and no operations are allowed except payment to SMTL lenders. Hence the investment (Equity and Quasi Equity) in SMTL has become Zero and the equity investment has been impaired and the quasi equity has been written off in the books of GHL.

The following are the Investments impaired and written off w.r.t. SMTL as on 31st March 2023:

Particulars	Amount
Equity Value of Investment in SMTL	17,940.48
Goodwill on acquisition of Shares in SMTL	75.55
Impairment loss of Investment in STML (A)	18,016.03
Investments in Instruments entirely Equity in nature in SMTL	10,016.00
Written off value of Investment in STML (B)	10,016.00

ii. Indore Dewas Tollways Limited (IDTL)

Pursuant to the termination of the Project, Indore Dewas Tollways Limited, Loan accounts have become NPA and Lenders have filed the cases before DRT and NCLT (under IBC) for recovery of loan. The Project was terminated by NHAI and the toll collections are taken over by NHAI.

Further, the conciliation/settlement offer of the Company was not accepted by NHAI. NHAI has informed that they will not pay anything to the company towards termination payment as the premium due to NHAI is more than the termination payment. In fact the balance premium is payable by company to NHAI. The IDTL bank accounts are frozen and no operations are allowed except payment to IDTL lenders. Hence, nothing is receivable by GHL against equity/quasi equity. Hence the investment (equity and quasi equity) in IDTL has become Zero and the equity investment has been impaired and the quasi equity has been written off in the books of GHL.

The following are the Investments impaired and written off w.r.t. IDTL as on 31st March 2023:

During the financial year 2018-19, Gayatri Projects Ltd(GPL) and Gayatri Highways Ltd(GHL) are mutually agreed to bring the complete control over the SPVs under one roof i.e., under GHL. GPL agreed to transfer the outstanding ZISL of GPL in SMTL, HKR and IDTL to GHL.

GHL agrees and undertakes that the ZISL shall be repaid to Gayatri Projects Ltd with the same original terms given for the SMTL, HKR and IDTL, i.e., this ZISL is considered as Quasi Equity and can be repaid only after fully repaying whole of the Senior Debt in GHL, SMTL, HKR and IDTL.

The following are the details of the Investments transferred from GPL to GHL:

Company Name	Amount
Sai Maatarini Tollways Limited	10,016.00
HKR Roadways Limited	4,476.51
Indore Dewas Tollways Limited	3,395.00
TOTAL	17,887.51

* Note on loans written off :

1. SMTL - Rs.10,016 Lakhs - The Loan Accounts of SMTL have become NPA and Lenders have filed the cases before DRT for recovery. Out of total outstanding loan of about Rs. 2173.29 Crores, NHAI is settling the matter without any payment towards Equity/Quasi Equity. Hence, nothing can be paid or payable to GPL towards the Equity/Quasi Equity. Further, it may be noted that, the lenders are not agreeing to pay any money from SMTL to GPL, as GPL is the sponsor and guarantor of SMTL loans. The SMTL bank accounts are freezed and no operations are allowed except payment to SMTL lenders. Hence, the balance of Rs.10,016 Lakhs w.r.t. SMTL written off during this FY 2022-23.
2. HKR - Rs.4,476.51 Lakhs - The Loan accounts of HKR have become NPA and the loans are settled through OTS (funded by KSSF). The project was sold to Kotak special situations Fund (KSSF) and the KSSF is now the sponsor of the project and managing the total activities of HKR with Kotak Mahindra Bank as Escrow Banker. As the loan accounts has become NPA and the senior lenders have not agreed to pay any amount towards Equity/ Quasi-Equity invested by GPL/GHL, who were the original sponsors of the project. The entire money funded by KSSF was adjusted by Lenders against their outstanding dues and hence nothing can be paid or payable to GPL. Hence, the balance of Rs.4,476.51 Lakhs w.r.t. HKR written off during this FY 2022-23.
3. IDTL - Rs.3,395 Lakhs - The Loan accounts of IDTL have become NPA and Lenders have filed the cases before DRT and NCLT (under IBC) for recovery of loan. The Project was terminated by NHAI and the toll collections are taken over by NHAI. The conciliation/settlement offer of the Company was not accepted by NHAI. NHAI has informed that they will not pay anything to the company towards termination payment as the premium due to NHAI is more than the termination payment. In fact the balance premium is payable by company to NHAI. Further, it may be noted that, the lenders are not agreeing to pay any money from IDTL to GPL, as they are the sponsors and guarantors of IDTL loans. The IDTL bank accounts are freezed and no operations are allowed except payment to IDTL lenders. Hence, nothing is receivable against equity/quasi equity. and nothing can be paid or payable to GPL. Hence, the balance of Rs.3,395 Lakhs w.r.t. IDTL written off during this FY 2022-23.

- viii) Terms of Preference Shares**
- The Company has only one class of 9% Non-convertible cumulative redeemable preference shares (NCRPS) having a par value of ₹10 per share. Each holder of preference shares is entitled to one vote per share in the matter of preference share holders. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors, if any, is subject to the approval of the shareholders in the ensuing annual general meeting.
 - NCRPS shall be redeemed upon completion of a period of 10 years from the date on which they are issued. The tenure of the NCRPS may exceed 10 years from the date of issue, but shall in no circumstances exceed 20 years from the date of issue. However, any variation (extension or reduction) in the tenure of NCRPS will be subject to the mutual agreement of both parties.
 - As per the Indian accounting standard 32, a preference share that provides for mandatory redemption by the issuer for a fixed or determinable amount at a fixed or determinable future date, or gives the holder the right to require the issuer to redeem the instrument at or after a particular date for a fixed or determinable amount, is a financial liability. Accordingly, 9% Non-convertible cumulative redeemable preference shares were treated as a financial liability and the finance cost (as interest) on such liability was also recognised.

Impairment loss on certain investments in subsidiaries and joint ventures has been recognised considering the performance of these companies and their future projections.

The Company has long-term investments in subsidiaries which are measured at cost less impairment or at fair value through profit or loss. The management assesses the performance of these entities including the future projections, relevant economic and market conditions in which they operate to identify if there is any indicator of impairment in the carrying value of the investments. In case indicators of impairment exist, the impairment loss is measured by estimating the recoverable amounts based on available information. The recoverable amount estimates are based on judgments, estimates, assumptions and market data as on reporting date and ignore subsequent changes in the economic and market conditions.

During the year ended 31st March, 2023, the performance of subsidiaries coupled with the relevant economic and market indicators resulted in indicators of impairment in respect of certain entities. Accordingly, the Company determined the recoverable amounts of the long term assets and other exposures related to these entities and recorded a provision of Rs. 18,019.36 crores (2022 : Nil) for the year ended 31st March, 2023.

Major risk to the Post Employment Benefit plan

A. Actuarial Risk:

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:
 Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected.

Variability in mortality rates: If a ctual mortality rates are higher than assumed mortality rate assumption than the Gratuity Benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: I factual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity Benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

B. Investment Risk:

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

C. Liquidity Risk:

Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cashflows.

D. Market Risk:

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & viceversa. This assumption depends on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

E. Legislative Risk:

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

Notes to financial instruments

i. The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments. The management assessed that the fair value of borrowings approximate the carrying amount largely due to such borrowings carry interest rates or rates are negotiable.largely due to short-term maturity of these instruments. The management assessed that the fair value of borrowings approximate the carrying amount largely due to such borrowings carry interest rates or rates are negotiable. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

ii. Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: Inputs for the assets or liabilities that are not based on the observable marked data (unobservable inputs)

iii. Measurement of fair value of financial instruments

Company's finance team performs valuations of financial items for financial reporting purposes, including Level 3 fair values, in consultation with third party valuation specialist for complex valuations, wherever necessary. Valuation techniques are selected based on the characteristics of each instrument, with the overall objective of maximizing the use of market-based information.

30 Financial risk management

Financial risk factors

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalent, trade receivables, financial assets measured at amortized cost	Ageing analysis
Liquidity risk	Borrowings and other financial liabilities	Rolling cash flow forecasts
Market risk – Interest rate	Long-term borrowings at variable rates	Sensitivity analysis

The Company's risk management is carried out by a central treasury department (of the group) under policies approved by the board of directors. The board of directors provides written principles for overall risk management, as well as policies covering specific areas, such interest rate risk, credit risk and investment of excess liquidity.

a. Credit risk

Credit risk arises from cash and cash equivalents, trade receivables, investments carried at amortized cost and deposits with banks and financial institutions.

Credit risk management

The finance function of the Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics.

Significant increase in credit risk on an on-going basis throughout each reporting period. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due. A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Expected credit loss for trade receivables under simplified approach

The Company recognises significant income from toll road on the basis of actual collection and hence there are no significant outstanding. Hence, as the Company does not have significant credit risk, it does not present the information related to ageing pattern. The company has widespread customer base and no single customer accounted for 10% or more of revenue in any of the years indicated.

During the periods presented, the Company made no write-offs of trade receivables and it does not expect to receive future cash flows or recoveries from collection of cash flows previously written off.

b. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

c. Interest rate risk

Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Company's variable rate borrowing is subject to interest rate. Below is the overall exposure of the borrowing:

	As at 31 March 2023	As at 31 March 2022
Fixed rate borrowing	20,592.68	20,592.68

31 Capital Management

The Company's objectives when managing capital are to:

Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors its capital using gearing ratio, which is net debt divided by total equity. Net debt includes long term borrowings, short term borrowings, current maturities of long term borrowings less cash and cash equivalents and other bank balances.

**INDEPENDENT AUDITOR'S REPORT****To the Members of GAYATRI HIGHWAYS LIMITED****Report on the audit of the Consolidated Ind AS Financial Statements****Opinion**

We have audited the accompanying Consolidated financial statements of Gayatri Highways Limited ("the Holding Company") its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and joint ventures which comprise the Consolidated Balance Sheet as at 31 March 2023 and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2023, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
<p>1. As at 31 March 2023, the Company has total investments of Rs. 228.64 Cr (Net of impairment) which are classified as financial assets in the financial statements. It is in the form of equity, preference shares, optionally convertible debentures and instruments entirely equity in nature of Jointly controlled entities of the Company.</p> <p>The management regularly reviews whether there are any indicators of impairment on unquoted investments made by the company.</p>	<p>1. In respect of the impairment indicator assessment for the investments in subsidiaries/joint ventures, our audit procedures included and were not limited to the following: -</p> <ul style="list-style-type: none"> • Obtained and read the financial statements of subsidiaries/joint ventures to identify if any disclosure is made for impairment of assets in its Consolidated financial statements. • Obtained the impairment indicator assessment performed by the management considering internal/external sources of information.

As per Ind AS 36 - 'Impairment of Assets' the standard is applicable to financial assets classified as Investments in subsidiaries, associates and joint ventures. Accordingly, in assessing whether there is any indication that an asset may be impaired, an entity shall consider as a minimum, the external and internal sources of information, any other indications or evidences from internal reporting that indicates that the assets may be impaired.

This assessment involves significant judgment especially in relation to determination of expected future economic benefits.

Accordingly, the evaluation of impairment of investments in subsidiaries/joint ventures was determined to be a key audit matter.

2. The Company has been incurring operating losses during the past few years and the current liabilities of the Company exceed its current assets.

The Group and parent Company financial statements were prepared on a going concern basis except two subsidiaries namely "Sai Maatarini Tollways Limited" and "Indore Dewas Tollways Limited", where the financial statements are prepared on non-going concern basis.

- We have obtained the management's understanding with regard to impairment of the investments made in loss making subsidiary companies/joint ventures.
- We have obtained the company's management opinion in estimating the realizable value of the investments made by the subsidiary companies/joint ventures.

2. We have evaluated the assumptions and forecasts made by management. We have specifically devoted attention to the assumptions made with respect to the future value added, the results and the cash flows in order to assess the company's ability to continue meeting its payment obligations and its obligations under the financing covenants in the years ahead.

**Emphasis of Matter**

1. We draw attention to Note 49 (A) of Consolidated Financial Statements which stated as follows
 - a. Difference in accounting of the termination payment receivable from NHAI of Rs.1,78,228 Lakhs as against the claim to be given as per settlement agreement with NHAI of Rs.96,803 Lakhs. Henceforth, the expenses of the company are understated by Rs. 82,362 lakhs and assets overstated by Rs. 82,362 lakhs. Pending settlement with NHAI and Lenders, no adjustments have been made in financial statements.
 - b. Non-receipt of Balance confirmations from Banks and Financial Institutions as the accounts are NPAs. The company had recognized interest expense and other finance charges as per existing loan agreements.
 - c. Non-recognition of GST Liability on the Termination payment of Rs.20,664 Lakhs. Pending the ultimate outcome of this matter, which is presently unascertainable, no adjustments have been made in the financial statements.
 - d. SMTL has written off a receivable of Rs.1,011.02 Lakhs from Gayatri Projects Limited and written back trade payable of Rs.2,915.68 Lakhs and claims payable of Rs 22,745 lakhs to Gayatri Projects Limited. However, the company has not received any confirmation from Gayatri Projects Limited for the write off/writeback.

Our opinion is not modified in respect of this matter.

2. We draw attention to Note 49 (B) of Consolidated Financial Statements which stated as follows
 - a) Non-Accounting of Interest on Deferred additional concession fee (deferred premium) amounting to Rs. 15,527.25 Lakhs and this resulted in understatement of cumulative loss by Rs. 15,527.25 Lakhs and understatement of liabilities by the same amount.
 - b) Non-receipt of Balance confirmations from Banks and Financial Institutions as the accounts are NPAs. The company had recognized interest expense and other finance charges as per existing loan agreements.
 - c) Difference in accounting of the termination payment receivable from NHAI Rs.73,580 Lakhs and claim made on NHAI Rs.63,702 Lakhs. Pending the ultimate outcome of this dispute, which is presently unascertainable, the shortfall in realization of the claim receivable of Rs. 73,580 lakhs and its impact on the loss for the year and reserves is not determinable at this stage.
 - d) The company, IDTL, during the year had recognized toll revenue of Rs. 6,285.79 Lakhs as per toll money deposited in Escrow and arrived at amortization of Rs 1,729.70 Lakhs on similar basis. The IDTL's Auditor was unable to comment on impact, if any, on revenue loss, amortization for the year and Intangible assets had the toll collection reports been received.

Our opinion is not modified in respect of this matter.

3. We draw attention to Note 49 of Consolidated Financial Statements, the Subsidiaries "Sai Maatarini Tollways Limited" and "Indore Dewas Tollways Limited" which are SPVs for Road project of NHAI on DBFOT pattern, terminated the project and handed over to NHAI and the financial statements are prepared on non-going concern basis. For the purpose of consolidation, the same is considered and accounted as per Ind AS 105 – Discontinued operations.

Our opinion is not modified in respect of this matter.

Other Matter

1. We did not audit the financial statements of 3 Subsidiaries whose financial statements reflect total assets of Rs. 2,068.66 Cr as at 31 March 2023, total revenue of Rs. 99.09 Cr and net cashflow amounting to Rs. 33.56 Cr for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of Rs. 499.36 Crores for the year ended 31 March 2023, as considered in the consolidated financial statements, in respect of 2 Jointly controlled entities whose financial statements have not been audited by us.

These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, jointly controlled entities, is based solely on the reports of the other auditors.

2. The consolidated financial statements include the Group's share of net assets Rs. 81.94 Crores and total loss after tax (net) of Rs. 17.24 crore and total comprehensive loss (net) of Rs. 17.24 crore for the year ended 31 March 2023, as considered in the consolidated financial statements, in respect of 3 Jointly controlled entities whose financial statements have not been audited by us.

These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the Page 5 of 7 work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Information Other than the Ind AS Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements we give in the "Annexure 1" a statement on the matters specified in paragraph 3(xxii) of the Order
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries and joint ventures, as noted in the 'other matter' paragraph we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Group so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2023 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies and joint venture incorporated in India, none of the directors of the Group's companies and its joint venture, incorporated in India, is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" which is based on the auditor's reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the Group.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.

- iv. a) The respective managements of the Holding Company and its subsidiaries and joint venture which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and joint venture respectively that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries and joint venture to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries and joint venture ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The respective managements of the Holding Company and its subsidiaries and joint venture which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and joint venture respectively that, to the best of its knowledge and belief, no funds have been received by the respective Holding Company or any of such subsidiaries and joint venture from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries and joint venture shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries and joint venture which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under subclause (a) and (b) contain any material mis-statement.
- v. The final dividend paid by the Holding Company, its subsidiaries and joint venture companies incorporated in India during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.

**ANNEXURE - 2 TO THE INDEPENDENT AUDITORS' REPORT**

(Referred to in paragraph 1 (f) under the heading "Report on Other Legal and Regulatory Requirements" of our report on even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Gayatri Highways Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group and its joint venture, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls with reference to Consolidated Financial Statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or

disposition of the company's assets that could have a material effect on the Consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group and its joint venture, which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to the subsidiary companies and joint venture, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiaries and joint venture incorporated in India.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

1. Corporate information

Gayatri Highways Limited - GHIL (“the Company”) was incorporated during the year 2006 in accordance with the provisions of Companies Act, 1956. The Company on its own and through its jointly controlled entities is in the business of construction, operations and maintenance of carriageways on toll and annuity basis pursuant to the development agreements with the National and State Governments and makes investments in companies engaged in the construction, operations and maintenance of roads, highways, vehicle bridges and tunnels and toll roads. The registered office of the Company is located in 6-3-1090, 5th Floor, A-Block, TSR Towers, Rajbhavan Road, Somajiguda, Hyderabad-500082.

2. Investment in associate and Joint Ventures

Investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the share of net assets of the associate or joint venture since the acquisition date.

The statement of profit and loss reflects the share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Company recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Company and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long term interest that, in substance, form part of the Company's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Company. When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Company determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss as 'Share of profit of an associate and a joint venture' in the statement of profit or loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

Hyderabad Expressways Limited	50%	50%
HKR Roadways Limited	26%	50%

4. Summary of significant accounting policies

a) Basis of preparation of consolidated financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Unless otherwise stated, the accounting policies applied by the Group are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of work and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the group has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities.

b) Use of estimates

The preparation of the consolidated financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the financial statements and amounts of income and expenses. Examples of such estimates include the provision for doubtful receivables, determination of recoverable amounts of fixed assets, deferred tax assets, employee benefits and useful lives of fixed assets.

Although these estimates are based on management's best knowledge of current events and actions, actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

c) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

- Expected to be realised or intended to be sold in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- Expected to be settled in normal operating cycle;
- Held primarily for the purpose of trading;
- Due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its operating cycle.

d) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest income: For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

e) Earnings/(loss) per share

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(All amounts in ₹ Lakhs unless otherwise stated)

f) Provisions and contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

g) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

h) Taxes

Income tax expense comprises of current and deferred tax. Current income tax assets and liabilities is measured at the amount expected to be recovered from or paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provision where appropriate.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

i) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A) Financial Asset

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables and loans

Equity investments:

All equity investments in jointly controlled entities are measured at cost less diminution other than temporary. All equity investments in scope of Ind AS 109 are measured at fair value. Equity investments which are held for trading are classified as FVTPL. For all other equity investments, the Company may make an irrevocable election to present in OCI subsequent changes in fair value. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in OCI. There is no recycling of amounts from OCI to P&L, even on sale of investment. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- a. the rights to receive cash flows from the asset have expired, or
- b. the Company has transferred its rights to receive cash flows from the asset, and (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on debt instruments.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

B) Financial Liability

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

j) Fixed assets

Tangible assets are stated at cost of acquisition, less accumulated depreciation thereon. The cost of an item of fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Intangible assets represent commercial rights to collect toll fee in relation to roads projects which has been accounted at the cost incurred on the project activity towards reconstruction, strengthening, widening, rehabilitation of the roads on build, operate and transfer basis. It includes all direct material, labour and subcontracting costs, inward freight, duties, taxes, obligation towards negative grant payable to concessionaires, if any, and any directly attributable expenditure on making the commercial right ready for its intended use.

k) Depreciation and amortization

Depreciation of tangible assets is provided on the basis of straight line method in accordance with Schedule II to the Companies Act, 2013.

l) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

m) Borrowings Costs

In Case of concession arrangement under financial asset model, borrowing Costs that are attributable to the acquisition and/or construction of the infrastructure are charged to The Statement of Profit and Loss in the period in which such costs are incurred.

In Case of concession arrangement under intangible asset model, borrowing cost of qualifying assets are capitalized as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. Any income on the temporary investments of borrowings is deducted from the borrowing cost. All borrowing cost subsequent to the capitalization of the intangible assets are charged to the Statement of Profit and Loss in the period in which such costs are incurred.

n) Foreign currency transactions and derivatives

- a. The reporting currency of the company is the Indian Rupee.
- b. Foreign currency transactions are recorded on initial recognition in the foreign currency, using the exchange rate on the date of the transaction.
- c. At each Balance Sheet date, foreign currency monetary items are reported using the closing rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of monetary items at the closing rate are adjusted in pre-operative expenses.

o) Employee benefits

- a. GRATUITY - Company's liability towards gratuity is determined by independent actuaries, using the projected unit credit method.
Past service costs are recognised immediately in the statement of profit and loss. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit

Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ Lakhs unless otherwise stated)

and loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions for defined benefit obligation and plan assets are recognised in OCI in the period in which they arise. When the benefits under a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the statement of profit and loss. The Company recognises gains or losses on the settlement of a defined benefit plan obligation when the settlement occurs.

p) Recent Accounting Pronouncements:

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1st, 2023, as below:

- 1) **Ind AS 1 – Presentation of Financial Statements:** The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information included in an entity’s financial statements, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.
- 2) **Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors:** The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.
- 3) **Ind AS 12 – Income Taxes:** The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

During the financial year 2018-19, Gayatri Projects Ltd(GPL) and Gayatri Highways Ltd(GHL) are mutually agreed to bring the complete control over the SPVs under one roof i.e., under GHL. GPL agreed to transfer the outstanding ZISL of GPL in SMTL, HKR and IDTL to GHL.

GHL agrees and undertakes that the ZISL shall be repaid to Gayatri Projects Ltd with the same original terms given for the SMTL, HKR and IDTL, i.e., this ZISL is considered as Quasi Equity and can be repaid only after fully repaying whole of the Senior Debt in GHL, SMTL, HKR and IDTL.

The following are the details of the Investments transferred from GPL to GHL:

Company Name	Amount
Sai Maatarini Tollways Limited	10,016.00
HKR Roadways Limited	4,476.51
Indore Dewas Tollways Limited	3,395.00
TOTAL	17,887.51

Note on loans written off:

1. SMTL - Rs.10,016 Lakhs - The Loan Accounts of SMTL have become NPA and Lenders have filed the cases before DRT for recovery. Out of total outstanding loan of about Rs. 2173.29 Crores, NHAI is settling the matter without any payment towards Equity/Quasi Equity. Hence, nothing can be paid or payable to GPL towards the Equity/Quasi Equity. Further, it may be noted that, the lenders are not agreeing to pay any money from SMTL to GPL, as GPL is the sponsor and guarantor of SMTL loans. The SMTL bank accounts are freezed and no operations are allowed except payment to SMTL lenders. Hence, the balance of Rs.10,016 Lakhs w.r.t. SMTL written off during this FY 2022-23.
2. HKR - Rs.4,476.51 Lakhs - The Loan accounts of HKR have become NPA and the loans are settled through OTS (funded by KSSF). The project was sold to Kotak special situations Fund (KSSF) and the KSSF is now the sponsor of the project and managing the total activities of HKR with Kotak Mahindra Bank as Escrow Banker. As the loan accounts has become NPA and the senior lenders have not agreed to pay any amount towards Equity/ Quasi-Equity invested by GPL/GHL, who were the original sponsors of the project. The entire money funded by KSSF was adjusted by Lenders against their outstanding dues and hence nothing can be paid or payable to GPL. Hence, the balance of Rs.4,476.51 Lakhs w.r.t. HKR written off during this FY 2022-23.
3. IDTL - Rs.3,395 Lakhs - The Loan accounts of IDTL have become NPA and Lenders have filed the cases before DRT and NCLT (under IBC) for recovery of loan. The Project was terminated by NHAI and the toll collections are taken over by NHAI. The conciliation/settlement offer of the Company was not accepted by NHAI. NHAI has informed that they will not pay anything to the company towards termination payment as the premium due to NHAI is more than the termination payment. In fact the balance premium is payable by company to NHAI. Further, it may be noted that, the lenders are not agreeing to pay any money from IDTL to GPL, as they are the sponsors and guarantors of IDTL loans . The IDTL bank accounts are freezed and no operations are allowed except payment to IDTL lenders. Hence, nothing is receivable against equity/quasi equity. and nothing can be paid or payable to GPL. Hence, the balance of Rs.3,395 Lakhs w.r.t. IDTL written off during this FY 2022-23.

Extension of Moratorium for Term loans - COVID19 Pandemic & RBI Circular dated 27th March 2020.

Due to the COVID-19 pandemic and the declining economic scenario, the Reserve Bank of India along with the Ministry of Finance have issued circular and guidelines to all the Banks for allowing moratorium in payment of EMIs, and to defer recovery of installments in all loan accounts from March 2020 to August 2020. Accordingly the company has submitted a request letter dated 18th May 2020 to all the Lenders seeking for the moratorium for the payment of Debt dues from March 2020 to August 2020 in accordance with the RBI Covid19 Regulatory package dated 27th March 2020. However Punjab National Bank (PNB) & India Infrastructure Finance Company Ltd (IIFCL) have communicated vide 14th December 2020 consortium meeting that the moratorium as per the circular cannot be availed with respect to the loans disbursed by them as the account has become NPA as on 31st January 2020 (Punjab National Bank) & IIFCL (31st December 2019).

Accordingly the current maturities with respect to the Principal repayment of the Term loan I and Funded Interest Term loan have been updated as per the COVID moratorium granted by RBI vide its circular dated 27th March 2020. Accordingly the Moratorium has been effected for the Union bank of India & State Bank of India as per the communications received from them. The Interest dues for the period March 2020 to August 2020 for Union Bank of India & State bank of India have been transferred to the Outstanding Principal dues as the same is payable at the end of the Repayment schedule and loan tenure in accordance with the RBI Circular.

During the year the accounts with Union bank of India and State Bank of India have also slipped into NPA in December 2021.

- g) The rate of Interest to all the Lenders is 10.10% per annum
- h) The above are original terms of repayment.

III) Restructuring of Term Loan as per the RBI circular dated 7th June 2019.

- (i) Due to Low Toll Collections and the deficit in the cash flows, the SPV is unable to service even the interest obligations towards the Lenders in full. The account has always been in SMA2 with all the Lenders.
- (ii) The Techno Economic Viability Study (TEV) has been conducted by M/s Mott Macdonald & Forensic Audit has been conducted by M/s Sagar & Associates, Chartered Accountants. Both the reports were submitted to all the Lenders, discussed in the consortium meetings and the final reports have been approved by all the Lenders vide consortium meeting dated 4th October 2019.
- (iii) All the Lenders vide consortium meeting held dated 7th Feb 2020 have decided to appoint credit rating agencies ie CRISIL & CARE to assess the sustainable and unsustainable debt. Accordingly CRISIL & CARE have issued the RP4 Rating with Part A debt as Rs. 236 crs(sustainable debt) & Part B Debt as ₹31,600 lakhs (Unsustainable debt) (out of ₹59,700 lakhs total debt as on 1st October 2020) and the same has been submitted to all the Lenders.
- (iv) After receiving the RP4 ratings from the two credit rating agencies, the company has requested the Lenders vide consortium meetings dated 7th Oct 2020, 14th December 2020 to take up the proposal of the Resolution Plan with their Competent Authorities as per the RBI circular dated 7th June 2019. The Resolution Plan has been prepared based on the two RP4 Ratings issued by CRISIL & CARE.
- (v) Punjab National Bank has categorised the account as Non Performing Asset (NPA) as on 31st January 2020. The recall letter has been received from PNB vide their letter dated 4th February 2020. - (vi) UBI on behalf of all the lenders recalled the CREDIT FACILITIES (Term Loan and Funded Interest Term Loan) as on 05.01.2022 vide their letter No.IFB:HYD:737:2021-22 . As per the recall notice the Term Loan and FITL and interest thereon has become payable immediately. Accordingly the Non-Current Borrowings are transferred to Current Borrowings.
- (vii) The moratorium for the payment of Interest and Principal dues for the period March 2020 to August 2020 has been implemented by SBI & UBI as on 31st March 2021.
 - a) Accordingly the Interest for the period March 2020 to August 2020 has been shifted to the end of the repayment schedule and is payable towards the end of the loan tenure.
 - b) The Principal repayment for the quarters March 2020 & June 2020 have been shifted to the end of the repayment schedule by UBI and has been moved to the next quarters by SBI.
 - c) PNB & IIFCL has not implemented the moratorium as the account was Non Performing Asset (NPA) as on 31st January 2020 & 31st December 2019 respectively.
- (viii) As on 31st March 2023, all the accounts have slipped into NPA with all the banks as on 31st December 2021. The Lenders were remitted an amount of Rs 10 crs in the month of July 2022 which were adjusted against the TL & FITL dues. As on 31st December 2022, an amount of Rs 30 crs was transferred from the toll collections account by the Lead bank and has been distributed amongst the Lenders in the ratio of their disbursements. All the amounts were accounted by the Lenders towards the Term loan I interest payments as per their email communications.
- (ix) As the accounts have become NPA with all the Lenders, the term loan statements received from them are not upto date. There are few months for which the interest charges have not been accounted by the Lenders. Hence the Term loan reconciliations were not done and there are differences in the balances of the loans as per the books and the loan statements.

iv) One Time Settlement (OTS) Proposal of Rs 250 crs submitted to the Lenders vide letter dated 30th June 2021

The Company has proposed/submitted to the Lenders the One Time Settlement (OTS) proposal for the settlement of debt dues to all the Lenders vide letter dated 30th June 2021. The Company has once again submitted to the Lenders the One Time Settlement (OTS) proposal for the settlement of debt dues to all the Lenders vide letter dated 13th December 2021 to Punjab National Bank, on 14th December 2021 to State Bank of India, on 17th December 2021 to Union Bank of India and on 21st December 2021 to IIFCL keeping in view the subsequent developments in the Project:

- a) Formation of the Conciliation Committee of Independent Experts (CCIE) by NHAI for the amicable settlement of all disputes with NHAI. b) Non Approval of the Resolution Plan proposal by the competent Authority of the Lead bank ie., Union Bank of India.

The SPV has submitted to the Lenders that the Sponsors/ Promoters will settle the debt dues to the Lenders through a One Time Settlement (OTS) proposal towards the full, final and complete settlement of all the dues to the lenders, without any further recourse to the project company, promoters and sponsors. The amount will be bought in by the Promoters directly or through an investor or through their associates/affiliates or private arrangement or by way of collecting advance money from NHAI. Upon payment of the said amount to the Lenders, all the liabilities towards the existing Lenders, contingent or crystallized, stand irrevocably extinguished including outstanding principal, interest due and payable, accrued and unpaid interest, penal interest and other charges and the Lenders have no further claim of any nature against the Company, Promoters and Sponsors.

The SPV further submitted that this proposal is towards full and final settlement of all existing, past and future dues, including penalties if any, processing charges, late payment charges of all the consortium loan accounts etc without any further recourse to the company, promoters and sponsors. Further, there should be a freeze on the levy of interest on the outstanding dues w.e.f. 01-07-2021, such that there would no future issues, pending the completion of the settlement

None of the Lenders have taken up the proposal of the company for One Time Settlement (OTS) with their competent Authorities.

The Conciliation meetings with NHAI have failed and NHAI has communicated the same vide their letter dated 25th April 2022. The NHAI has also communicated vide its letter dated 25th April 2022 that the Project will be terminated and the Lenders are given the option to exercise their rights of Substitution as per the Concession Agreement. The Lenders have communicated their consent to NHAI for exercising the Substitution rights vide their letter to NHAI dated 17th May 2022.

Note: Additional Concession Fees Payable to NHAI & Premium Deferment total premium amount payable as per the Concession Agreement, has been capitalized as "Intangible Assets" and amortized over a period of the service concession Agreement as per the method prescribed in Part A to the Schedule II to the Companies Act, 2013 and corresponding Obligation for committed premium has been recognised as liabilities at discounted value .The Contractual Obligation to pay premium (Additional Concession Fees) to National Highways Authority of India over the Concession period has been recognized upfront on Discounted basis (fair value) as per the Concession Agreement and is a part of the "Intangible Asset " and corresponding Obligation for committed premium payable to NHAI is recognized as liabilities.The related finance costs arising on discounting has been taken to the Profit and loss account.

Due to the low toll collections and deficit in the cash flows, there has been a stress in the account. The National Highways Authority of India has approved the proposal for the deferment of premium payable to them vide their sanction letter dated 11th June, 2014. The premium deferment sanction was given for a specific period as per the NHAI letter. As per the sanction terms, NHAI reviews the Annual accounts of the company every year. NHAI has contended that there were surplus cash flows in the certain years and the same were to be remitted to NHAI, which the company has communicated that it is an erroneous contention. The same was not accepted by NHAI and the issue has gone into dispute. However during the current year, the NHAI has cancelled the sanction of the premium deferment vide its letter dated 6th August 2020 and has issued notice to the SPV for the payment of the entire premium due along with Interest from 2014 to the date of issuance of the letter. The SPV has protested for the above and has replied suitably vide its letter dated 14th August 2020. The same and the matter is under arbitration with NHAI. Now NHAI has constituted the (CCIE) Concilation Committee for Independent Experts for the amicable

37 Employee Benefits

Gratuity

The Group operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment.

Provision for Gratuity is made on actuarial basis as summarized below. The Company does not have any policy for Compensated Absences.

Major risk to the Post Employment Benefit plan

A. Actuarial Risk:

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:
 Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected.

Variability in mortality rates: If a ctual mortality rates are higher than assumed mortality rate assumption than the Gratuity Benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: I factual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity Benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

B. Investment Risk:

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

C. Liquidity Risk:

Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cashflows.

D. Market Risk:

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & viceversa. This assumption depends on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

37 Employee Benefits expences (continued..)**Principal Actuarial Assumptions****E. Legislative Risk:**

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

Notes to financial instruments

- i. The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments. The management assessed that the fair value of borrowings approximate the carrying amount largely due to such borrowings carry interest rates or rates are negotiable.
The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.
- ii. **Fair value hierarchy**
Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:
Level 1: Quoted prices (unadjusted) in active markets for financial instruments.
Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.
Level 3: Inputs for the assets or liabilities that are not based on the observable marked data (unobservable inputs)
- iii. **Measurement of fair value of financial instruments**
The Company's finance team performs valuations of financial items for financial reporting purposes, including Level 3 fair values, in consultation with third party valuation specialist for complex valuations, wherever necessary. Valuation techniques are selected based on the characteristics of each instrument, with the overall objective of maximizing the use of market-based information.

40 Financial risk management

Financial risk factors

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalent, trade receivables, financial assets measured at amortized cost	Ageing analysis
Liquidity risk	Borrowings and other financial liabilities	Rolling cash flow forecasts
Market risk – Interest rate	Long-term borrowings at variable rates	Sensitivity analysis

The Company's risk management is carried out by a central treasury department (of the group) under policies approved by the board of directors. The board of directors provides written principles for overall risk management, as well as policies covering specific areas, such as interest rate risk, credit risk and investment of excess liquidity.

a. Credit risk

Credit risk arises from cash and cash equivalents, trade receivables, investments carried at amortized cost and deposits with banks and financial institutions.

Credit risk management

The finance function of the Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an on-going basis throughout each reporting period. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due. A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Expected credit loss for trade receivables under simplified approach

The Company recognises significant income from toll road on the basis of actual collection and hence there are no significant outstanding. Hence, as the Company does not have significant credit risk, it does not present the information related to ageing pattern. The company has widespread customer base and no single customer accounted for 10% or more of revenue in any of the years indicated.

During the periods presented, the Company made no write-offs of trade receivables and it does not expect to receive future cash flows or recoveries from collection of cash flows previously written off.

b. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Total	2,28,045.99	44,978.16	69,303.60	3,42,327.75

c. Interest rate risk

The Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates

The Company's variable rate borrowing is subject to interest rate. Below is the overall exposure of the borrowing:

	As at 31 March 2023	As at 31 March 2022
Fixed rate borrowing	7,028.74	11,477.03
Interest free borrowing	7,835.30	4,078.87
Total borrowings	14,864.04	15,555.90

Interest rate risk

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.
